

# Personal Website-Joomla Workshop

Prepared

Muhammad Firdaus Harun

UTM Software Eng. Dept., FSKSM

# Presentation Outlines

- How to Create an Article, Menu and Publish it?
- How to upload a file and link it ?
- How to embed the Google Calendar into the page ?

# Blank Personal Website

The screenshot shows a website header for the Department of Software Engineering (FSKSM) at Universiti Teknologi Malaysia (UTM). The header includes the UTM logo, the department name, and a search bar. Below the header is a navigation menu with links for Undergraduate Programmes, Postgraduate Programmes, Our Research, About Us, and Contact Us. A 'Quick Links' dropdown menu is also present. The main content area is currently blank, with a 'MAIN MENU' section showing 'Home' and 'Profile' links. The footer contains a copyright notice for 2009, a disclaimer, and several partner logos including MSC Malaysia, MyGovernment, MAMPU, JPA, and the UTM logo.

# Go to Control Panel

The screenshot shows the Joomla! administration interface for the UTM Software Engineering Dept. The top navigation bar includes tabs for Site, Menus, Content, Components, Extensions, Tools, and Help. A dropdown menu is open under the 'Content' tab, with 'Control Panel' highlighted and circled in green. A black arrow points from the text 'Go to Control Panel' to the 'Control Panel' option. The main dashboard area contains several management tools represented by icons and labels: Article Manager, Front Page Manager, Section Manager, Category Manager, Media Manager, Menu Manager, Language Manager, User Manager, and Global Configuration.

# Create a Menu for the Content

The screenshot displays the Joomla! administrator interface for the UTM Software Engineering Department. The top navigation bar includes the Joomla! logo and the text "UTM Software Engineering Dept.". Below this is a menu bar with the following items: Site, Menus, Content, Components, Extensions, Tools, and Help. The main content area is a grid of icons representing various management functions. The "Menu Manager" icon, which shows a computer monitor with a menu, is highlighted with a green rounded rectangle and a mouse cursor. Other icons include "Add New Article" (document with plus), "Article Manager" (document), "Front Page Manager" (house), "Section Manager" (green bars), "Category Manager" (book), "Media Manager" (photo), "Language Manager" (language flags), "User Manager" (two people), and "Global Configuration" (wrench and screwdriver).

# How to upload a file and link it ?

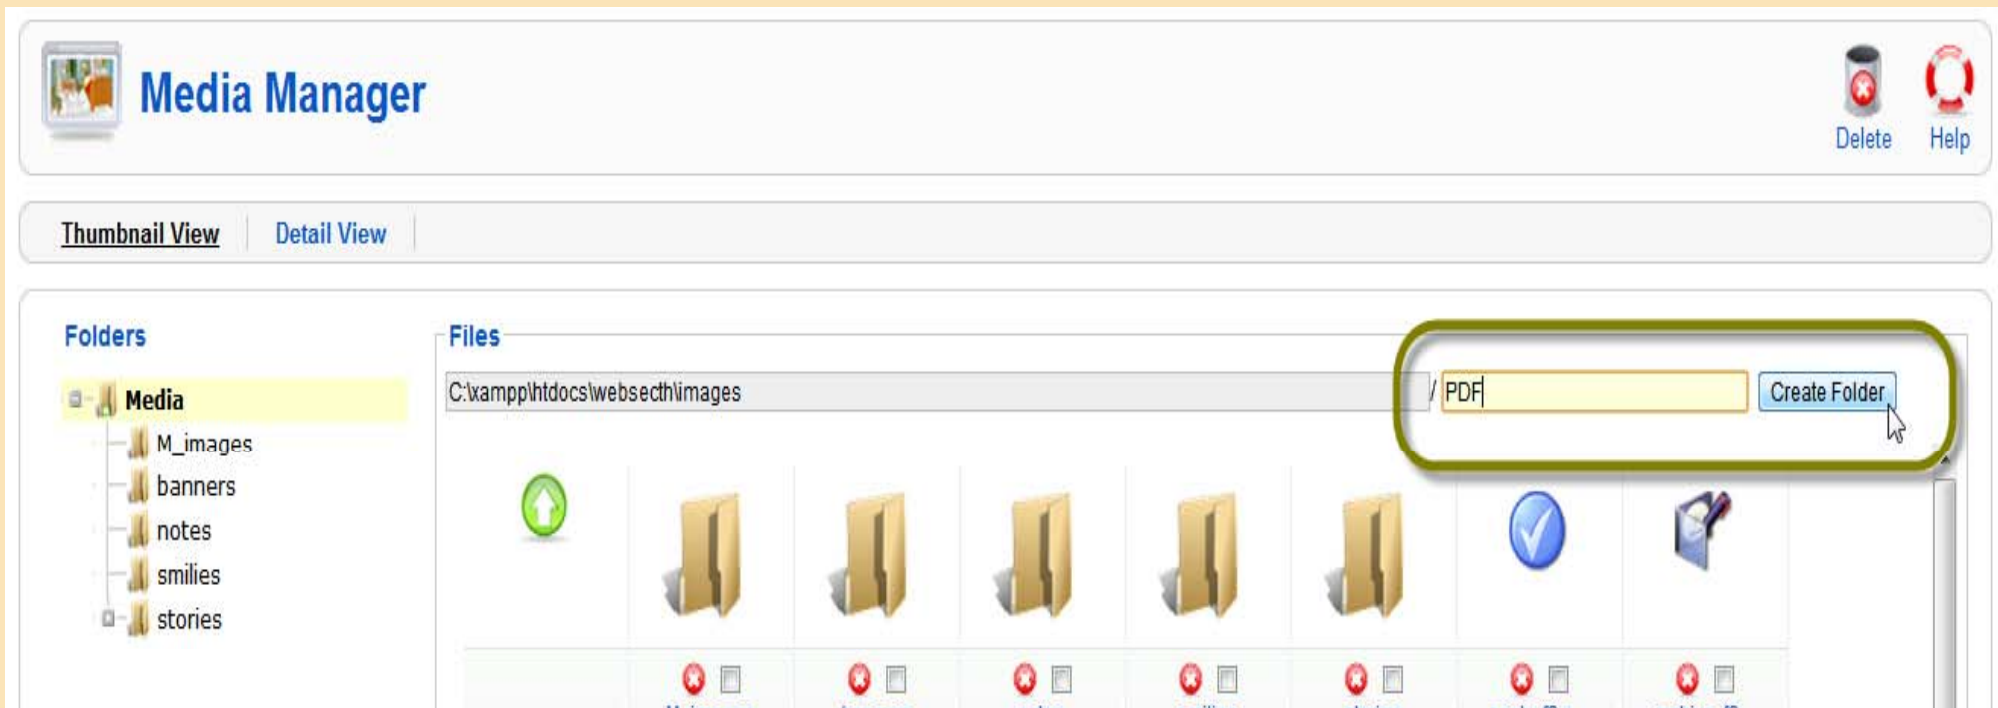

# Go to Media Manager

The screenshot shows the Joomla! administration interface for the UTM Software Engineering Department. The top navigation bar includes links for Site, Menus, Content, Components, Extensions, Tools, and Help. The main content area displays a grid of management tools. The 'Media Manager' icon, which shows a computer monitor with a photo gallery, is highlighted with a green rounded rectangle and a mouse cursor. Other visible tools include 'Add New Article', 'Article Manager', 'Front Page Manager', 'Section Manager', 'Category Manager', 'Menu Manager', 'Language Manager', 'User Manager', and 'Global Configuration'.

# Create a Folder - PDF

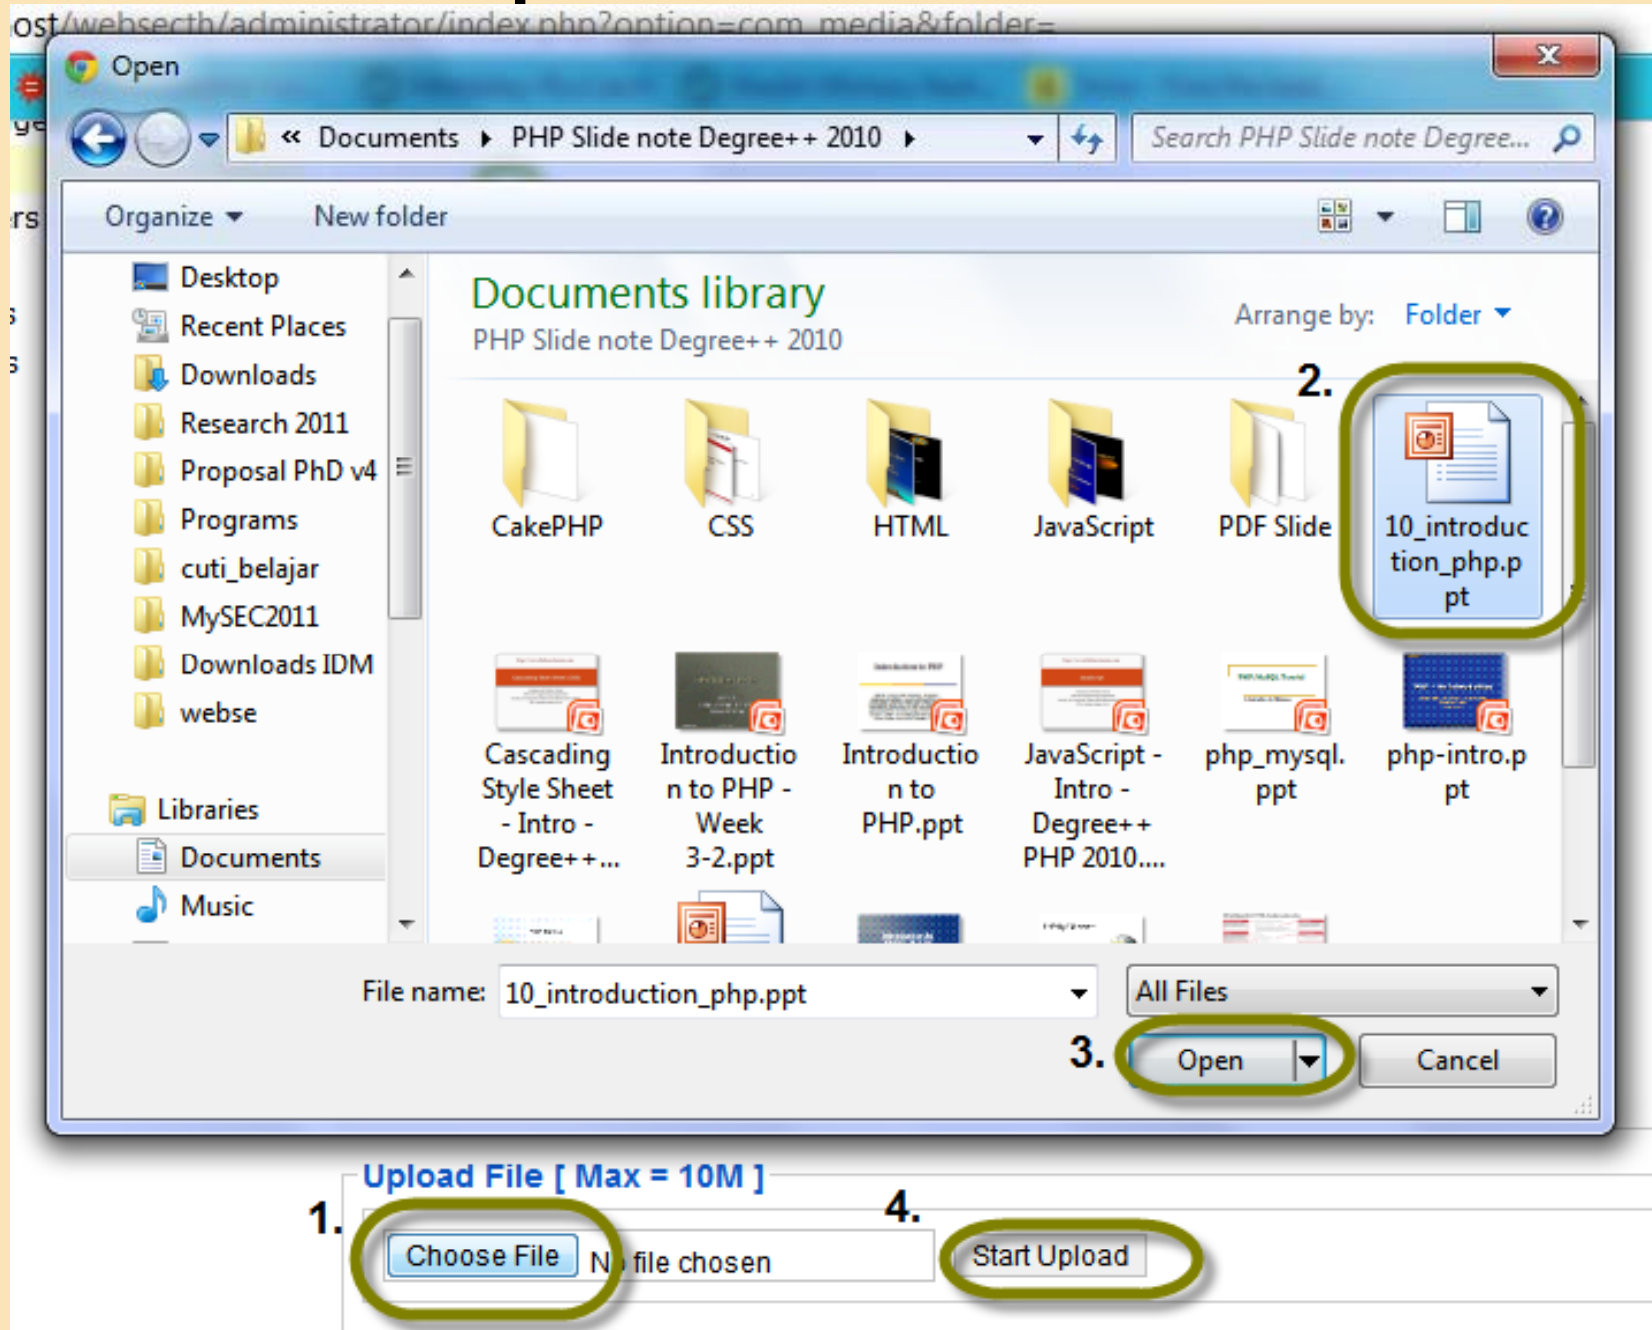

The screenshot displays the Media Manager interface. At the top left, there is a 'Media Manager' header with a small image icon. To the right of the header are 'Delete' and 'Help' buttons. Below the header, there are two tabs: 'Thumbnail View' (selected) and 'Detail View'. On the left side, a 'Folders' list shows a tree structure with 'Media' selected, containing sub-folders: 'M\_images', 'banners', 'notes', 'smilies', and 'stories'. The main area is titled 'Files' and shows the path 'C:\xampp\htdocs\websech\images'. A text input field contains the text 'PDF', and a 'Create Folder' button is positioned to its right. A green rounded rectangle highlights the input field and the button. Below the path, there are several folder icons and a blue checkmark icon, each with a red 'X' icon below it.

# Click the PDF Directory

The screenshot shows the Media Manager interface. At the top, there is a header with a small image icon and the text "Media Manager". Below this, there are two tabs: "Thumbnail View" (which is selected and underlined) and "Detail View". The main content area is divided into two panels. The left panel, titled "Folders", shows a tree view of the file system. The "Media" folder is expanded, showing sub-folders: "M\_images", "PDF", "banners", "notes", "smilies", and "stories". The "PDF" folder is highlighted with a yellow background and a green oval, with a mouse cursor pointing to it. A yellow callout box with the text "Click PDF Folder" and a green upward arrow points to the "PDF" folder. The right panel, titled "Files", shows the path "C:\xampp\htdocs\websecth\images\PDF" and a green upward arrow icon. Below the path, there is a list of files, but only a few are visible, including a file named "..."
